Foreword

Thank you for choosing YFCAD.

YFCAD is proud to bring you our Additional Library Vol 14, Mobilier de France Collection 2010. Mobilier de France is one of the leading home furniture brands in France. They are well recognized by consumers for their quality and expertise in the craft of furniture and furnishings for living spaces.

Individual installation package is available for InteriCAD 7000, InteriCAD T3 Pro and InteriCAD Lite. Please download the corresponding package according to your product. Please run setup.exe to install the library after finishing the download. At least 50MB disk space is required for the installation.

We hope this library helps in creating more innovative designs. You are welcome to visit our website <http://www.interimodel.com> for more vivid and quality models.
